Presidents' Message

It would be unfair to say that this has been an ideal school year, because life holds a few disappointments and disillusion-ments for each of us at times. Sometimes it takes a few hard knocks in life to make us appreciate good sailing.

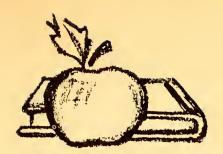

It is my sincere belief that before many years, you will sit down and thumb through the pages of this book looking at the faces of the many friends that you had at East Mississippi Junior College in 1946-47. Isn't it possible, as you become reminiscent, you will consider this one of the most pleasant years of your life?

For those who were responsible for building the 1946-47 memory book of East Mississippi Junior College we extend our sincere thanks.

Then as now,

Your friend,

Cruce Stark
